I won't be participating in the process much. Michael is going to do the review. My time is pretty well taken up with Bristol Bay. So don't wait for me on anything.

It seems like everyone else is available to meet. Would you like me to reschedule or should we try to have a separate meeting to fill you in? I suspect that you are pretty well versed on the process...let me know what works best.

Phil North has declined this meeting invitation

Hi Jayme,
Sorry that I did not update my calendar. Just today my trip to Seattle was extended to include Tuesday, which means travel on Monday. I won't be available for this meeting.

Phil
